

Leadership and Management Coaching

We provide professional, responsive and inexpensive management coaching.

We offer a range of coaching options to suit your context, at affordable prices. We offer coaching support via:

- Telephone
- SKYPE
- Face to face

We supply qualified, experienced leadership coaches from £25 per hour.

Leadership coaching to support you through challenging and changing times:

Our Leadership and management coaching has proven to be effective in supporting managers to tackle the most difficult of issues, including:

- Changing roles
- Reductions in services
- Restructuring
- Making redundancies
- Doing more for less
- Ineffective team cultures

We offer a confidential, open and safe environment that helps managers to:

- Improve leadership skills
- Clarify goals and targets
- Receive honest feedback
- Improve performance
- Problem solve
- Learn from success and mistakes

"Thanks for this; the leadership coaching has been extremely beneficial for me and my practice."
